

INSTRUCTIONS FOR THE ALTERNATIVE HAIR EXAMINATION

Students are to bring two mannequins for testing.

PHASE I (15 minutes)

1. Students are to complete a three strand over-braid (invisible) on a long hair mannequin.

PHASE II (30 minutes)

1. On the short hair mannequin, students will do two corn rows.
2. Students will sew on an extension on one of the corn rows.
3. Students will then be graded on the removal of the extension that was sewed on.

PHASE III (30 minutes)

1. Students are to come to testing with a track extension already bonded to their mannequin.
2. Students will be tested on bonding an extension to the hair.
3. Students will be tested on the removal of the bonded extension that was already on the mannequin.

PHASE IV (25 minutes)

1. Students will be tested on doing a smooth and blended three strand under-hand braid with a braid extension.
